Central Georgia Autism, LTD.

Central Georgia Autism welcomes all families looking for support, guidance, and information as we have an overall desire to help individuals that are on the autism spectrum be given the chance they deserve.

"Our Mission is to be on the journey with families and serve as a community bridge for resources and support."

Central Georgia Autism, has served as a organization for families to meet, discuss their experiences, and receive useful information for 10 years in the central Georgia area. We help to educate families and the community impacted by Autism. We are actively involved with area businesses and other partners. CGA strives to provide training and resources to help children with autism.

In addition, we host an Annual Family Christmas Party, Conferences, Monthly Mom's Night Out, Waterpark Splash Night, and more!

Cocktails & Cupcakes Benefit sponsored by local ladies boutique, Karats & Keepsakes has graciously paved the way for Central Georgia Autism to provide financial scholarships beginning in 2012.

In 2013, we began an amazing partnership with local cycling organization and bike enthusiasts, Big Ring Racing. We held the first Century Ride to come into the middle Georgia. Over 200 cyclists attended for a record turnout and now the Journey Ride for Autism is an annual event.

Scholarships are awarded throughout the calendar year. Parents may apply one time a year with completed application, diagnosis of child, and supportive documentation.

Mail Scholarship Applications To:
 Central Georgia Autism
 P.O. Box 28981
 Macon, GA 31221

Applications are available on our website!
